PHILIPS

Hairdryer
1600W Foldable handle, Worldwide voltage, Pouch

BHD006/00

Highlights

1600W for gentle drying

This 1600W hairdryer creates the optimum level of airflow and gentle drying power, for beautiful results every day.

ThermoProtect temperature

The ThermoProtect temperature setting provides the optimal drying temperature and gives additional protection from overheating the hair. With the same powerful airflow, you will get the best results in a caring way.

3 flexible speed settings

This hairdryer offers 3 pre-selected speed/heat combinations to make it quick and easy to achieve the perfect style.

Cool Shot sets your style

A must-have professional setting, the Cool Shot provides a burst of cold air. Use after styling to set and finish your style.

Quieter drying

The design of the air inlet grill allows for increased air flow while, the shape and size of the dryer improves flow of the air through the dryer. The result is faster, more effective drying power. The Philips Essential Care 1600W, has a 20% sound imrpovement versus HP4940. This way you can dry your hair quietly without compromising on performance.

Foldable handle

This hairdryer has foldable handle, making it easy to pack, store and take with you anywhere you go.

Dual voltage

Dual voltage for worldwide use

Easy storage hook

A rubberized hook can be found on the base of the handle. Use to store easily at home or if staying at a hotel.
